New Y Meijer Athletic Fields

We were able to build 2 athletic fields with parking, landscaping, and electronic sign in 2010 because of donations to the campaign. The first New Y activity was 5th/6th grade soccer.

CURRENT SOUTH AIRPORT FACILITY

Existing facility will continue to be used as a gymnasium and field house until these are built at the New Y.

IMPACT: The current Y will accommodate 6 new pickleball courts and 10,000 sq.ft. for more indoor sports.

EXISTING GYMNASTICS/EARLY CHILDHOOD FACILITY

Gymnastics Center: 1 100 Woodmere Ste A

Early Childhood Center: 1 100 Woodmere Ste B

Woodmere facility
will continue to be
used for the
self-sustaining
gymnastics and early
childhood programs.

WHEN DO WE BUILD?

**CONSTRUCTION
TO BEGIN
SPRING 2012!**
